## WHO AM I!

One is not recognized simply by one's name, age, qualifications, experience and antecedents. Each one of us is a bundle of emotions. There are virtues, strengths, weaknesses; our aims in life are different and we adopt different approaches to deal with the demands of a particular situation, which reveals ourselves to others.

Therefore, please write a profile of yours which has more relevance operationally than theoretically.

Why did you choose Satyam Computer Services Ltd. for your Cultural Exchange program? Please be specific.
